“ I just learned today from Davey that his dad ,Dave, had passed away. I was dumbfounded. I had not heard that he passed or even been ill. I'm heartbroken for Linda, Pam and the kids. I have such fond memories of Dave and all of the family from when we all attended church together in Watseka. Dave was a devoted servant of God and a living example of what a loving family man should be. Dave was a kind, quiet and gentle man. He always had a sparkle in his eye and a smile fir everyone. He truly was just passing through on his way home and I'm confident his reunion with Pastor Jim was beyond joyful. We loved brother Dave and he will be greatly missed here. Condolences to all the family.

“ I saw wife Pam after many years at little Noah Fisher's birthday celebration and met David. He was a very nice gentleman. My thoughts and prayers are with you and the Kenison family today. A former pastor told our congregation a few years back, "Remember we are not made for this world."

Joshua 1: 9 tells us, "9 Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go."

“ I remember a time I met with David after work when Wal-Mart used to close. We went to Taco Bell to hang out and play chess (a game we used to play a lot) when they were closing soon and he thought we'd have to go but I said " don't worry, they won't care" . I was working there at the time, some other employees that were friends of the closers showed up to bother then. The store was closed but it was like a small party David played one of the others in chess i was playing cards with others using Taco Bell condiments as money. Heh heh it got a little wild but it was a good night.
