“ Although I've lived in Florida since 1976 I have many, many memories of my father. The way he laughed, the stories he told, the things we did together, the places we went. Dad, you are forever close to my heart . . . "know what I'm sayin'!!"###imported-begin###Judy Rivard###imported-end###

“ It will be the little things

that you will remember,

the smiles, the laughter.

And although it may seem

hard right now,

it will be the memories

of these little things

that help to push

away the pain

and bring the smiles

back again.

“ Donna and family,

David will always be remembered with a smile. ĩ½He always made us laugh. . . whether it was on a fishing trip, playing pool, playing cards or just hanging out. ĩ½Hearing him laugh made us laugh and of course all of his sayings from "you're not wrong, you're right, brother" and so many more.

You are in our thoughts and prayers!

Love,

“ David, We new you were sick! but were so much hoping that we were going to have one more memory of a fishing trip together up at our cabin in Wisconsin. So will keep for ever in our hearts all the other memories we have of you. One of those great memories are when you would come and visit us in Arizona. Sitting on our back porch next to the water fountain with the fishing pole setting on it, trying to catch that big fish that kept taking the polls with it every time, as it got away, cause you were not that quick at grabbing it. The stories you & Louise made up to tell Gary why he is minus 3 poles or what happen to the beautiful bushes the two of you destroyed cause it was in the way. Louise spraying water on that silly bandana she put on your head so you would'nt get so hot. How you could sweet talk Louise in to anything, like baiting your hook and taking the fish off. David, we love you, will miss you, and you will never be forgotten.....
