“ This kid had a great smile and even more unique laugh..like Peter Brady puberty voice 😭.. he had a big heart and was supper stubborn like both his mom and dad.. I am so sad for all his family and friends. This is a big loss to say the least for all of them. Watching his friends mourn last night was gut wrenching. My heart is especially broken for one of my bestest friends in the world.. I have no words to make this better for you Jill. I love you all and will be here for you for anything now and 30 years from now. RIP little Dave. 😭
