“ I'd like to extend my sympathy to Dave's family. Dave graduated with the Central of Clifton class of 1956 and attended many of our reunions until he and his wife moved to Arizona. Dave was small in stature but had a big heart. He made no big splash in sports or academics; however, I remember him getting along with everyone. In our class Will published in the '56 annual, Dave wrote that he willed his ability to get along with the teachers to anyone that wanted it. That was his forte.
