“ I am so saddened to learn of Dave's passing. What a great guy! Dave was my first boy friend. We went to junior prom together in 1960 and always had so much fun with all his buddies in the Shadows Color Guard. Dave loved drum corps and many of our friends had been in the Kankakee Legion Lancers. Dave and some of the boys traveled to Cicero during our junior year to join the Royal Airs. As life turns out, I moved to Chicago and my sons both were Cavaliers and aged out in 1983 and 1988. I still can never watch a corps take the field without thinking of Dave and seeing him in his uniform with his baritone gleaming under the lights. Those were happy times. I will keep him and his family in my daily prayers. Regrettably, we realize too late that "once upon a time" never comes again. May he rest in peace and always hear the music. And may God hold him in the palm of His hand. ¶½He has always had a special place in my heart. Much love from Merrill###imported-begin###Merrill Seal###imported-end###
