“ I met Dean through Midwest truckers. We only connected twice a year but it was always a delight to deal with him. He always took the time to talk about our personal lives after we finished up with business. We compared grandkids notes. I am sorry that he was not able to enjoy retirement like he was supposed to.

Worked with Dean for years and enjoyed barbecue in the back yard. His brother in law Scott Striz was a great guy as well. Lost touch with Scott but met up with Dean at a March of Dimes walk was awesome to reconnect. Will miss that guy for sure.

“ Dean was my loss control guy most of his 17 years at MTRMA. Like Dean, I too have a passion for motorcycles, cars, and traveling. Many of his visits either started or ended with conversations surrounding one of these subjects.

Sandy, I can unequivocally tell you that Dean spoke about you and your travels often with a great big smile on his face. He often brought up a favorite trip you guys took that involved a sailboat some years ago. He could not speak enough about how happy he was to be with you.

Dean was a professional as well as a kind and gentle man. Always had something nice to say and always said it in the nicest of ways. I am very thankful to have known him.

Wishing you peace, comfort, courage, and lots of love at this time of sorrow. My heart goes out to you and your family at this difficult time.

“ I am so sorry for your loss, Sandy, and the loss Dean's children and grandchildren and friends are all experiencing. If we didn't love so hard, it wouldn't hurt so much, and I know how Dean was so dearly loved. I am so so sorry.
