“ Aunt Deanna, I will always cherish all the time we got to spend with you, growing up. You were such a great, loving Aunt and an amazingly patient mother. You didn't even lose your cool that night Jake cut Rosie's bangs in her sleep. Until we meet again... Hugs and kisses Aunt Dee! ❤️

*Deanna was so loving and caring. Always asking and doing so much to help others. She always tried to attend any family function that she was able to attend. We always loved her visits to AZ over the years and then she met the love of her life Merle and they both would come out to AZ to visit us. We made so many memories over the years together.*
