“ I liked Deborah the first time I met her. She was at Fu’s celebration of life and she said I was a hippie and asked me if I wanted to golf. There was something very charming, effervescent and childlike about her. I can’t believe she is gone. I would have enjoyed a round of golf with her.

“ My Prayers and Sympathy to you Bruce. It was always a good and fun day of golf if I got on Debs team. Her laughter will always be remembered.

“ I was shocked at the death of Debbie. She was such a dear and caring person. She would do anything for anybody. Always there when you needed her. She will be missed! I got to know her better after the death of my husband. She and Bruce took me under their wing at that time and made me part of the Christiansen family. My condolences to Bruce, Diane, Denny, Denise, and the rest of her family. May God bless Deb and Bruce. You will always be in my prayers. Thank you, Deb, for including me in your family.

Love,

“ I am so sad to hear of her passing. Deb was a wonderful friend and a very hard worker who took great care of her patients. I remember when she got tickets to the Masters one year and how she was SO excited to go. I'm thankful that I was able to run into her this past August to see her one last time. My thoughts and prayers are with her family and friends during this very difficult time.

*I worked with Debbie for 10 years at Riverside EKG Department. Always such a caring person, but with a quick temper, that was so much fun. We truly worked as a Team and now she and Peggy can carry on in Heaven. Miss you Debbie.*
