“ I lit a candle for Debbie and you are all in my prayers. She always had a smile and I never heard her say a bad word about anyone. She is the kindest most compassionate and loving person I know. She has touched so many people and made this world a better place. She was a dedicated, skilled , and loyal nurse who always gave the very best care to her patients and did it with a gentle compassionate touch. She will be remembered in the hearts of many and truly made this a better world. She will be missed.
