“ *Deb was a volunteer at ACOM/Merchant Street Food Pantry. She was always so helpful in getting the individual desserts fixed when she came on Saturday morning. She helped get the fresh items out and helped make the pantry look nice. She wanted the kids that came to feel important too. Many times she would have little items she collected to hand.out to them. Deb didn't always feel the best at times, but when I was really short on volunteers, she would stay longer to help. I/we are really truly going to miss her. Her last Saturday helping was the day before Easter. I had bunny ears for the volunteers to wear and to have fun, She wore them proudly, and I seen she had posted her picture on Facebook with them. To Bobby and her family, I share the sadness with you.*
