“ Benson and Zwahlen families-Please accept my condolences for the untimely passing of such a wonderful woman.

Debbie and I worked together at Ford and I was always happy to take a few moments to talk with her.

Debbie had such a passion for life and those she worked with. Always the friendly face in the crowd!

Debbie's conversations were always meaningful and passionate, always a welcome break from life's hectic schedule.

I think it goes without saying, Debbie will be missed by so many.

Thank-you Debbie for allowing me to be a part of your wonderful life.
