“ Where to start with one of the best Grand-Father anyone could wish for.

Delbert was one of the best modervator i need to live life to the fullest. I know last couple of years have been hard on all of us. I never got to play my finally game for Grandpa. But I will work to get to NFL and dedicate all my hard work to him. Every day i play he will be there watching me getting fist class seating. Every game will give me the image i saw every game last season i played for thr wildcats of joy and happiness in his face. God needed him to be with his other relatives. At least he is painless. again Thank you for being there when i was up or down or all around. Hugs and Kisses. We all will me down the same road someday. hopefully later then sooner. Love you###imported-begin###Kevin Nemitz###imported-end##

“ Delbert will be missed! i¿½A gruff exterior but a big softie under the growling! i¿½When I first started working here he was one of the first drivers to make me feel like a part of the team here - even gave me the nickname Gertrude! i¿½My thoughts and prayers go out to his family with all my heart. i¿½###imported-begin###Terry Larkin###imported-end##
