“ I am the daughter of Alvin Raymond Wickiser from his first marriage. I am so sorry that I didn't find Delmar before his death. I only recently found out that Delmar was my cousin. “ To all Delmars family, my condolences ... he is missed so very much. I didn't get to know Delmar well until these later years... but the memories are good ones. As time goes by, may the good memories of him fill your hearts. I##imported-begin##cousin Joyce##imported-end##

“ Delmar was a great asset to the pantry. He was always there whether he was in pain or not.  $\frac{1}{2}$ He would always have a smile and make us laugh.  $\frac{1}{2}$ We will miss you dearly.  $\frac{1}{2}$   
  
God bless the family in your time of sorrow. Just know he always spoke highly of his grandchildren, he loved them all. He will be missed.....

“ Delmar and I got in more than our share of trouble together. I'll miss him! I'm currently house-bound with lung cancer, so I'll see Delmar before you will. Again...I'm sorry for the loss of an old friend.
