“ *James & Family,*

I was saddened to hear of his passing. I enjoyed stopping to talk to him and get help when he needed something. I always looked in on him when passing his room and at times in the dining room. He was always pleasant with me. Unfortunately, I left the nursing home not long ago. It was nice to have met you James and may your memories get you through the days ahead. Doris Hubner (Prev. Med Records @ Gilman Nursing Home)
