“ This condolance message is from brother and sister-in-law Charles and Barbara Simmons, their daughters and their families, Bonnie Simmons and Franco Altavilla, Turi, Mariapia, Chris and Miro, Amy, Alan, and Alaina Lafine, Barbara Makana, Lonny and Mikah Tomono. I am Bonnie, and I've known Jake practically all my life. I was around 4 when Jake fell in love with my beautiful, beloved Aunt Pet. My Dad told her he was a good kid and later I asked him if he was going to marry her, that night he proposed. Since then, I cannot think of a time that we did not look forward to being around Uncle Jake and his family. A true adventurer, curious and kind, in Heaven now, with a fishing pole in one hand and a winning card hand in the other. Jake loved living so much, his spirit wii never be far.

“ I worked at Coldwell Banker many years ago and Del always came in to do termite inspections. We always had a good time laughing, he talked about, think it was his son, who had bought a place in Mexico and he loved going down there fishing. He was always fun and I always loved seeing him come in. I'm sure he will be missed by many. Sue Hoskins
