“ *½To me, she was a very special lady, and one that I will never forget. Growing up with her children and spending time at her home was a time in my life I will cherish. ½Running into her years later, she knew who I was and we sat and chatted like the days had never passed. ½The world needs more women like Delores. I know I will miss her.##imported-begin##Sue (Barber) Keller##imported-end##*
