“ Dear Ben and Dato cousins, I am so sorry that Denise has passed away. What a fighter she was! She always made me laugh. Like the time she stalked me in Walgreens, up and down several aisles, trying to be sure it was me before she said hi. We had a great laugh many times over that one.

On a serious note, she was with me in my dad's hospital room when he died. It was special for both of us cause she said the only other person she was with when he died was her dad. A memory for me forever.

Hugs and prayers to all of you. Love , Cousin Debbie (Klenzak)
