“ *I've known Denise a long time. We went to grade school together. We used to go out back in the 70's disco era. She was a giving woman. I was so glad to reconnect with her on FB. Know that I will keep you in my thoughts and prayers. May special memories bring you comfort.*

“ We are so very sad to hear of Denise's passing. I met her when we were just teenagers and worked together at Osco's and then again when we worked at Famous Furniture together.. She was a very kind hearted friend and will be truly missed. Our sympathy and prayer go out to her family at this difficult time.

“ *My heart breaks when I think that you are not with us on this earth. Your friendship was one that I will keep close to me. Breakfast, Shopping, Sewing, Working together, and Just sitting and talking. Even though you moved a few years ago I still count you as a friend. You are no longer in pain and you are walking the streets of gold. Seeing family that has gone before you. I will remember your smile and kindness that you always showed to Kaylee and me. You will always be on my mind until we meet again my friend. Praying for you kids at this time and Gorge also. Hugs to all the ones she leaves behind,*

“ *What can I say about Denise, I first met her through her Mom , who used to work where I worked, and I so loved her Mom. We had a special bond.. she introduced me to her daughter whom she loved.. and soon I was part of the family!Denise and I had a great friendship and after I got hurt at work, she was always there for me as she was for so many. After I moved back to Chicago, we stayed in touch and would come hang with me and we would go to the beach and pal around as always... After I started moving around, we stayed in touch for awhile and then I lost contact for awhile but after I finally got on FB and she did as well , we reconnected...I will always love her! She was a very special woman and a fantastic friend!! My heart goes out to all of the family and friends... she was so loved and will be so missed, Denise,you are and always have been an angel and God has called you home to be with him and your beloved family that has already passed.*
