“ I moved to the Kankakee area in 1968. I attended Eastridge High School with Dennis, but we only shared one class, gym. One spring day, a bunch of the boys in class went all "Lord of the Flies" and were throwing less athletic boys into a big mud puddle while the gym coach "conveniently" looked the other way. When the boys came for me, I ran but they were gaining on me. Out of nowhere Dennis came running along with Joe Maycen. Dennis and Joe each grabbed me by one elbow, lifted me up and sprinted back to the locker room door while carrying me and spared me a mud bath.

I had not seen Dennis since high school but I have often thought back to that day and the kindness that he and Joe showed to someone that they had only known for a short while.

My condolences to Dennis' family and friends.

“ It was through Dennis Quigley (and his wonderful parents) that gave me my initial connections with Ed Froelich (Chicago White Sox Trainer), Bill Veck (Sox Owner) and entire Chicago White Sox Team back in the early 1960's.

This was all due to Little League Baseball with the Kankakee Jaycees many years ago. Dennis & Family was instrumental in creating a lifetime of childhood wonderful memories. I am going to miss you my friend and will always remember the guy who was small in stature, but had a Mighty Big Heart, "Denny Quigley".

“ When we purchased Big Randy's Bar&Grill, we inherited Dennis with the building. Many afternoons and evenings, we would chat, laugh, argue, and just discuss current events. I can honestly say he was my friend, and was always kind to me. After several years, we lost contact, but he holds a special place in my heart. Please accept my deepest condolences, and may he rest peacefully.
