“ My prayers are with you during this extremely difficult time. Dennisse always had a smile on her face & such a warm inviting personality! I will never forget her "how to" speech that she did for my class! She taught us how to play the ukulele!!! The class loved it as she taught us chords & finished out the speech with a song from SpongeBob SquarePants! It was a special moment that I carry with me always!! She touched everyone she knew with her infectious smile and positive attitude. Heaven truly has gained an angel. I know she has touched my life and I feel honored to have known her & to have had the opportunity to have her as a student.
