“ I am so so sorry for your loss, all of Derek's family and friends. I did not know Derek and immediate family very well at all. It was like casual acquaintance level. However, really enjoyed yall's family. Dad Mike and I are shirttail cousins, my mom was an Ader. Derek's mom Dolores I met and liked. We lived a few blocks away and I remember the family and the three little boys, cute adorable. Grandmother Carol lived next door to me for a while, and I absolutely loved and enjoyed her. I apologize for posting such a random memory as I did not know Derek very well. I can't even imagine how hard it hurts to lose him, and I just want to let you know my thoughts and prayers are with your family. Big hugs and love and deepest condolences from me, may he rest in peace and may God comfort your hearts. Charmaine (Courville) Sims
