“ *My sincere condolences to Derek's family. He was a very nice man to work with, easy going and very accommodating. I only knew him through his work, but you can tell that he was an exceptional individual outside of work too.*

“ *Derek was a true gentleman. I worked with him at IFC and only have the greatest admiration for the work that he did. He had a great sense of humor and I always loved talking to him on the phone whenever he needed a contract sent out and was not quite sure how to prepare the necessary documentation for me. He always made me laugh. My husband and I extend our deepest sympathies to Melissa and his two beautiful children and to the rest of his family and his friends. He will be truly missed. You will all be in our thoughts and prayers during this very hard time.*
