“ I am so sorry to hear about your loss. Diana was a great lady. I know that she will be terribly missed. I first met Diana when I was in high school working at Carlo's restaurant. She was such a special person and I will never forget my years working with her. I ran into her in an elevator at Riverside a few months ago. I had not seen her in years. She was wearing a pin on her shirt that said, "Cancer sucks." I always admired Diana for speaking her mind. That is what I will remember most about her. You are all in my thoughts and prayers during this difficult time.##imported-begin##Amy Tanner Tholen##imported-end##

“ I had the pleasure of meeting Diane for the first time at a soccer game where our boys were playing. I liked her instantly. Later, our sons shared an apartment while in college and I knew how much Zach's mother meant to him. I'm so sorry for you and your brother and sister, the grandkids and siblings, all who loved her. She was lovable. Take care.

“ Our deepest sympathies go out to Zach, Mia, and Jacob and all of Diana's family. We just found out about Diana's passing and were deeply saddened. Diana was a very big part of our lives for the many years we lived in Kankakee. While our paths have gone seperate ways in the last several years, one never forgets the memories of special people. Dians had a laugh and sense of humor that could be felt wearever she went. She had a great love for her family that will live on in their hearts long after her untimely departure. We know your pain is gone and you are in a happy place. We will miss you and think of you always

“ My thoughts and prayers are with you, with deepest sympathy.

 i ½ i ½ I was saddened by the passing of such a happy, vibrant person, Diana was always laughing and upbeat, we used to joke about being at Taft to pick up kids, then years later to be there again picking up grandkids. She was fun to work with, she would talk about her trips, she really enjoyed them. She will be missed.###imported-begin###Denise Schrum###imported-end###

“ *Di-Di - may you sleep with the angels-the pain and suffering left behind and the joy of the resurrection and reuniting with loved ones ahead of you. May God keep you close and look after your loved ones and protect them for you. You will be deeply missed by all who knew you and loved you. Know that you did make a difference in this world in the hearts and souls that you touched, in your laughter and your smiles, in your love and your generosity.

Let me also say the same for your dad. I did not know he had passed away. He always had a smile and pat on the back for me and called me Willie Lump Lump. My sincere and deepest sympathy to the family on both of these losses.Big heartfelt hugs to your wonderful mom and to Sherry and Connie##imported-begin##Bill Maass Jr. (Billy)##imported-end##*

“ *One of God's most wonderful gifts to us is friends. Diana was a great gift. We had such a wonderful, fun friendship. No matter how much time had passed since we had spoken to each other, it would seem as if it was just yesterday. She had the most amazing, heartfelt laugh. I'm really going to miss hearing that. She always found something positive to say ĩ½despite many hardships she was experiencing. She will be deeply missed. May God grant comfort and peace to ĩ½her family and friends until we meet again.##imported-begin##Joan Maass Grodski##imported-end##*
