“ I know this is pretty late, and I'm not sure if anyone will actually see this, but Mrs. Covert was my 5th grade teacher (I'm 24 now), and I just looked her up today because a friend and I were talking about school (she's a teacher). Mrs. Covert was, hands-down, one of the best teachers I ever had, and it makes so very sad to learn of her passing (even though I'm a couple of years late). She was an amazing person, and I am so incredibly sorry for your family's loss. I just wanted to post on here to let you know that she touched so many lives as a teacher, and I am so incredibly grateful to have had her as one of mine! <3

Hi, thank you for sharing this. I'm Diane's granddaughter and she was my best friend. She made my childhood so full of joy and learning and love. It fills me with happiness and tears to know she touched so many other lives with her bright spirit as well.

“ I am saddened to hear about Diane's passing. We recently reconnected and were able to catch up on the lives of various family members. I am out of town and will be unable to attend her memorial. My thoughts and prayers are with all of Diane's family and friends. She will be greatly missed.

“ I had the pleasure of meeting Diane at her granddaughter's wedding in Iowa. Nicole, she was a lovely lady in the little time I had to share with her. She was so incredibly happy for you and proud of you that day. May you find comfort and joy through memories during this difficult time.

“ I am grieved to learn that Manteno has lost a good citizen such as Diane. She contributed so much to the Manteno Woman's Club and the Manteno Library. I found her a joy to be in her presence. I loved Diane's sense of humor and her wonderful ability to make friends. Because we are still on our winter stay, It is with regret that my husband and I will be unable to be at the celebration of Diane's life and meet her family. I am sorry for your loss.
