“ I enjoyed working with Diane. ĩ½She started working in Accounting a few months before I did in 1999. ĩ½We both were so busy that we did not hardly get a chance to talk. ĩ½About 4 years ago, I moved desks right next to Diane. ĩ½It was then that I really got to know her. It seemed we shared the same allergy problems and symptoms. ĩ½She was an excellent listener too. ĩ½She always gave me great tips with everything and shared her medicine cabinet with me. We could talk about anything, it did not matter if we disagreed on the subject. Just an all around nice person. ĩ½It was great knowing her and she is missed very much. ĩ½To her family, I am sorry for your loss and hope you can find some comfort that she is in heaven.##imported-begin##Gerri Foster##imported-end##
