“ Helen,
Your Mom had just crossed my mind not too long ago, I was wondering how she was doing as I had not seen her in a very long time. I am so sorry to hear of her death. She was a wonderful human being, always made me laugh. She always went out of her way to help those who needed it, to extend her shoulder for someone to lean on and to lend her ear to anyone who wanted to unload.
She will be missed greatly.
