“ Dianna was a friend that i work with at general foods. My sympathy goes out to all family members. She seemed to be up to something to get the co workers going like squirt gun wars on lines that were down.

“ *I loved Dianna’s smile, those beautiful Irish eyes, her sense of humor, her laugh. Above all I loved her for who she was. Honest - oh yes, she told it as she saw it, which was pretty objective - and her love of friends and family, especially Bob. I loved you Dianna, I am better because I knew you.*
