“ I travelled to Michigan to meet Buck's folks when Carrie and Buck were serious about building a life together. Another trip to Michigan was made with Carrie and Buck to share the news of a new family member to be. Then they made a move to Milford to be able to enjoy the 2 little girls. Dianne and I shared many family times together as we watched the girls grow and mature into able adults. It was quite a journey for us all. I remember the day Ron, Dianne, and I all joined the same church. When Carrie and Buck stood with us, the 2 girls about 2 and 4 years old came up and stood with us as well. A precious memory!
