“ *Heaven gained a beautiful Angel Monday. Dolly was the sweetest, most energenic person I knew. I loved her as a special friend and co worker. I hope they have a bowling alley in heaven for her to use. I'll miss her energy and funny antics when she got a strike or spare. Enjoy your time with the Lord. My sympathies to the family Keep your memories and love for Dolly close in your heart.*

“ I remember all the birthday parties my mom had for me when I was little. Every time she was "room mother" for field trips I remember everyone loving being in her group. She was always a lot of fun with the kids. We used to play Yahtzee for hours. And even though Solitaire was a game meant to be played alone, we each used to grab our own deck of cards and have a competition as to who could win the most games. When both of my boys were born, she drove down to FL to spend a month with us and help out. She also came down for a week when I went on a mission trip to the Dominican Republic. She loved getting pictures of Caleb and Joshua and was always so excited to see us when we would visit. The last time Caleb and Joshua got to spend time with her was in August when she was in Citadel. She recognized them every time they came and her face lit up every time she saw them. They had a really good visit and I am grateful that they got that last time with their grandma. I love her much and miss her greatly already.

“ Auntie Dolly was quite the character. I have so many childhood memories.
I remember driving out to Grant Park as a kid with my aunt and Grandma. What fun!
There must be a party going on in Heaven. I can see Auntie Dolly with my Grandma (Irene) and Art and Eddie.

“ My Mom seen the best in everyone! Always when I got upset she'd say "Laura , it's ok , don't get yourself worked up". My Mom was always there for me , she was my rock! After I got married I would continuously call her especially with the question "Ma how do I cook this?" One of my favorite memories was when we bought our home , she came over to help me plant flowers. She was an amazing , beautiful mother, friend, and Grandma! I miss her so much already!

“ *There are so many sweet memories of mom - one of my favorite as a teen sitting at kitchen table playing perquackey for hours with her or watching her cook and mom telling me step by step how to make things. Driving in car with her to grocery store and cranking the country music! So many memories - the greatest mom/ grandma ever ❤️ Love you mom.*

“ *I loved how she kept photos of each of the grandchildren and great grandchildren on the dresser by her bed. She once told me every night she'd pray over them. She was a wonderful person and an awesome grandmother to my wife. I will miss her.*

I bowled with Dolly for years, I adored her as most. She told you like it was. She had cold hands, and when I would have a hot flash, she would hold my face in her hands, and we would look lovingly into each other's eyes, and burst out laughing. She will be missed.
