“ My family & I moved into limestone kitty korner from Ed & Dode. They helped make the move easier as they welcomed us into the neighborhood with open arms. Unfortunately a job change for my husband prompted us to move, but they helped us feel at home in our new surroundings. Dode will be missed.##imported-begin##Becky Sweeney##imported-end##

“ My deepest apologies for your loss. Your family was a large part of who I was as an adult, and Dodie was not only someone I saw through the county up, but my children also became a part of that as the years went on. So I missed. Sincerely,

“ For Dode

As you travel

to a space most
of us believe

we have not been,

my heart tells me
what awaits

is too beautiful to comprehend.

So, Dode, while on your journey

this is not
goodbye

for you live forever in our hearts

until we
meet somewhere

sometime.

Love,

Cathy###imported-begin###Peter and Cathy Safiran###imported-end###

“ Ed,

You and your family have been in our thoughts these
past days. We had the opportunity to meet your Mother a few
times, but your tales of growing-up and updates on what your
parents were doing made us feel we know her well.

Give our sympathy to your Father and the rest of your family.

Take the time you need.###imported-begin###Bishop Hill
