“ We have never met, but I when I heard about this tragic story, I felt compelled to write a message. It's evident in Dominic's picture that he had a smile that could light up a room & seemed to be a happy little guy. I hope the wonderful memories you have from your short time with him, will bring some peace to your aching hearts. The loss of a little one is so hard to understand. I will be praying for strength for you to get through this. Be assured that Dominic still lives in your heart. A baby very close to my heart passed from SIDS 2 1/2 years ago. Remember to take things one day at a time & keep Dominic's memory alive. Peace and Blessings, Dawn Knapper, Because of Cody... Co-founder
