“ I’m so terribly sorry for your loss and I pray that you’ll find comfort in each other sharing wonderful memories of your dear father. I remember I was at Teresa’s house when he was visiting and he had the worst hiccups for awhile so I showed him my trick of putting a pen sideways in your mouth and then drink water.. he was so excited that it worked!! I was so happy I could help. God puts us in places for so many reasons we might not even be aware of.
