“ I only knew Donald for a short time, however, he inspired me with his courage in facing his cancer and his motivation to recover his language. I enjoyed working with him and once he started making good progress in understanding and talking, we would talk about our respective memories of any number of subjects that came up during therapy. He was a gentleman in every sense of the word.

I also sensed the love between Donald and his wife, Evelyn. I will miss our visits.

“ Don was a wonderful person and we will miss him terribly. I worked with him at Provena and he could always make me laugh and smile. I enjoyed the times we had with our bowling league, softball, and our pool tournaments. He was such a genuine soul. My prayers and thoughts go to Evelyn and his family. God bless and Don rest in peace. ##imported-begin##Jennifer O'Connor##imported-end##

“ I had the extreme pleasure of working with and sitting next to Don for 5 years at Provena. I called him my 'cube buddy'; we laughed a lot and always had our dark chocolate. Don always had a smile on his face and happiness about him. He was a gentleman through and through. I will miss him terribly! My deepest sympathy goes to you and your family in this time of sorrow. “ I will always remember Mr. Kuba as the kindest, gentlest and nicest patient I ever had as a research patient. He was so positive and it is too bad his spirit did not sustain his failing health. Condolence Evelyn, Donette, Dr. Cannonie and everyone in your family and thanks for allowing us to serve you. I will keep all of you in my prayer. God bless and my deep condolences. Evelyn, if I can be of help, please let me know. This is today and always.##imported-begin##Lourdes Richardson##imported-end##
