“ *My memory of Don is when I was a little girl, every time Don was around, my little world would light up because I had such a crush on him! Don has always been a sweet, giving man and always talked to me when I would see him in a store in town. The world has lost a good man! My condolences to the Kerouac family. May knowing that he is now with our Lord in heaven give you all some peace.*
Sincerely,

To the Kyrouac family though I never had the opprotunity to meet Donald, I have heard a few wonderful stories on how he loved his famly, and know Donna and knowing the person she is I am sure he was a fantasic man. And with your hearts feeling so heavy at this time know that he and others that have since passed will be preparing for the family to all be together someday.
