“ I have a lot of good memories from working at Don Legg’s 66 when I was in high school. Don taught me a lot. They were good people to work with – Bobby, Greg – and I’ll never forget Jimmy with his wonderful sense of humor and smile. My sympathies to the family.

“ It has been an honor to take the reigns from such a great person and mechanic. Twenty five years ago, I walked into Leggs and Sons looking to purchase my own shop. I was told Don wanted to retire and was looking to find someone to keep his shop going. The rest is history. Clarise showed my wife and me the ropes for U Haul, and off we went. Till now, my wife still does U Haul, with a reprieve for a while, and I still wrench 6 days a week. Don knows how grateful we were for the opportunity, we told him often. We will keep going and hopefully when it's our time to retire, someone will walk thru our door to continue the tradition. God Bless and may you rest in peace, Don. Nick and Susan Angelatos
