“ *My prayers and condolences to you Phil and Paul and to all your family.*

I remember meeting your brother way back in the day when you guys and Bill and I went hunting with Don. I remember him bringing his dog. Good stuff.

“ *Tabby Patty, I am so sorry to be reading this! I have often wondered how you and Don were doing but with landlines being dinosaurs and retirement I didn't know how. I have great memories from Pat's, how Don would have his mother bake the pie that could make me as squirrely as the people who were drinking! Please know that you are in my thoughts and prayers. If you make it to Florida please make it my way!*
