“ Don was a very good friend and helped me with a lot of stuff.
ı¿½We always included him if he wanted to go to lunch. ı¿½Didn't know him only two years when he came to live at the apartment complex where I'm employed;but he left a good feeling in my heart.
ı¿½We will sure miss him. Carole##imported-begin##Carole Trill and Clyde Trumann##imported-end##

“ I am a native of Kankakee. I began my genealogical quest and became acquainted with your Dad. On a visit to Illinois many years ago to research ,he met with me several times and gave me a great deal of help to research my mothers Canadian heritage. He even allowed me to take his work and copy much of it to help me. I was so impressed with his ability and all that he had gathered over the years. He not only shared his information with me , he taught me how to find it myself. It took me a long time to read it all. I certainly hope you value that work & preserve it. He was so generous with it himself. I am so sorry that I am late in responding but I only just learned of his death today. My Aunt, Rita Zeimer, in Kankakee sent me the obit. Please accept my sincere sympathy for your loss. Sincerely,
Cindy Holmes

“ Your father, brother rode the bus (River Valley Metro) with me when I was a new driver, and continued through the past 3 years. He was a source of humor, and information, especially when it came to genealogy. The way he talked about his late wife was an inspiration. I liked Don, and his sense of humor, He was an intelligent man, one that held a lot of compassion. I especially loved his stories about the "ZOO", the nursing home on Jeffery St., in Kankakee, where he was sent to rehabilitate after his surgery. The memories he had of the love he had for his wife, and son, made me very envious, I hope the rest of his family can share that. I will miss him.

Sincerely,
