“ Julie, I½I was so sorry to hear of your loss.

I can't even begin to know of your pain right now. I½I do know that God knows and He will get you through this. I½I'm sorry I wasn't able to attend the services. I½I work mid-nights and I am in school so it is difficult to do anything else. I½Please know that you are in my prayers and I am thinking of you and your family. I½Brent talks to Jim at work. so he fills him in...take care Julie...
