“ I had the priveledge of knowing Don through the Grain Elevator in St. Anne where I work. I enjoyed seeing Don every harvest season. Always a smile on his face and a kind word. He was truly a wonderful person and I feel blessed that I knew him. Last December he teased me with some "Christmas Mice" his wife had made. I thought they were real but they were chocolate candy. He got a laugh out of that one. He will truly be missed by all of us here at Heritage FS Grain in St. Anne. Our deepest sympathy goes to his family.##imported-begin##Lisa Lease/Topper Davis/Dale Papineau##imported-end##
