“ Don was a good friend ever since we moved across the street from him in Herscher. We would play yard golf, kick the can, real golf, we wrestled together in high school and I was most honored when he asked me to be in his and Randy's wedding. He was a good guy, he will be missed. Please pass my condolences onto the family, I will be out of town so I won't be able to make his visitation.

“ Worked with Don at Federal Signal for many many years! He was a sweet guy and helped me out a lot with product questions that would come up. He was also kind and patient. He was missed when he left Federal. Very sad to hear of his passing. Condolences to his family.

“ Don was a helpful co-worker who would drop what he was doing to help others, a fellow GCCA enthusiast, and most importantly a great friend with a wry sense of humor that will be surely missed. I remember taking my kids (now in their 20's) to the GCCA swap meets in early 2000's that Don was an official at, as he got us hooked taking our fish there. My deepest sincere condolences to his family on losing an angel that just gained his wings, what we have lost heaven has gained. See you later my friend.
