“ Donna was a true friend and enjoyed having a good time in all she did. ĩ½She was a loyal employee at Blue's Cafe all through high school and bought me my first pair of "saucer" saddle shoes.##imported-begin##Patricia ĩ½Admave Earnhart##imported-end##

“ Working with Donna and seeing her with the children at school. She has been an inspiration to all of us. Last summer at the Realy for Life she stayed all night long which I know was hard for her to do. But it was something she was determined to do, and so she did. I will miss her and her smile and she always had such a great outlook on life.
