“ With our deepest sympathy to the family from the Goggins family. Donna, Ray, Scott were such a blessing to our family. Precious memories we all share of Donna. She arrived at our doorstep with still the best home made chocolate chip cookies I've ever had, as a welcome to the neighborhood gesture. My Mom sat with her, drank endless coffee and shared life. They became trusted confidants to each other for years. She became the same to all of us as the years past. She was beautiful inside and out, her smile, a mile wide, always to greet you. Life was unkind to her with the passing of Ray and Scott, but she persevered true to her determined, gracious, kind spirited soul. We imagine she is enjoying coffee with our Mom and sister, Mary Kay, and finally joined once again with her precious loves Ray and Scott. God Bless all of you. A beautiful gift to us in life, now an angel in the graces of Lord. Peace be with her and all of her family. With fond memories and many blessings to you, Ann Goggins Offermann, Patricia Goggins, Fran Goggins Sparenberg and families.
