“ *Very seldom in life are we blessed to have 2 sets of parents. I was with Donna and Pat.
I was totally accepted by the whole family, even Cody Bear! I used to tell Donna I was her daughter by another mother, that always made her smile! We shared a friendship like no other. Our morning coffee clutches consisted of telling stories and sharing secrets. She could keep a secret better than the secret service! One of my favorite memories was when she needed help with something, she would start singing, "Help Me Rhonda"! Lol
I love you dearly my friend and confidante and will miss you terribly.
Always In My Heart...
Love ,
Terri Stewart (aka Rhonda)*
