“ I am saddened to hear of Donna's passing. I worked with Donna as an IT advisor and technical support specialist for many years. Donna was always quick to offer help and quick to laugh. I will remember Donna fondly because of those two qualities.

“ I remember Donna's great sense of humor and her infectious laugh! She once taught me how to make beautiful birds out of 2 strips of gift-tie ribbon! Peace be with you always, Donna. God Bless, Linda (cousin on Kerchner side).

Being a Knight Of Columbus, I have worked with Donna, and I must say ,she was the most pleasant person to share a problem with I've ever known. What a Great Voice Too!!!... She'd answer the Phone: "Knight of Columbus Donna Speaking"...She knew your problem, issue, or situation and fix it in a second!!!.... I finally had a chance to meet her at one of the Conventions,.... What a Great time we had talking.... She truly was a Great Friend to everyone.... Her husband was a very lucky man!!!!
