“ Jack & I remember some great times with Donna and Bill at Al & Sharon Belisle's home. We were greatly saddened to see the announcement of her passing. One of our favorite memories was at a party at Al & Sharon's where Bill was dared to sit in the rocker recliner with Sharon and they both got stuck and could not get out of the chair. Our prayers go out to the family. Rely on the good times and memories to get you through these difficult times.

Oh my gosh! Such sad news! I just found out from my sister. Bill, I have soooo many neat memories of both you & Donna. Dorothy, I know you are particularly sad right now, no parent should lose a child, no matter how old. I have neat memories about you too, Donna was a very special person, I think of her often, I have been gone from Kankakee since 1967, but always managed to get together when we were in town. Bill, you were ALWAYS there for her, she loved you so! My love to all of you! Joyce
