“ Wendy,
We are so very sorry for your loss. Your Mom was the best and all the times we spent together are very special memories that will never fade. Her laughter to tear ratio was always in check. Your family is in our thoughts and prayers during this difficult time. Love, Marilyn & Kurt J.

Donna was my very first, best friend! She always will be. I lived on S. Cleveland . O'Connor house was between our houses. I looked at every picture posted in her obituary memorial album and then looked at all of them again. I screen shot the second picture of Donna, when she was about 4. That's when we discovered we were next door. I so remember her mom, dad, and brothers. They treated me just like family. Thinking of these memories---- they come back sooo vividly, just a heartbeat away. 💕 she will always be my first best friend. (sandy mccoey weichbrodt

“ Donna had such a good heart. She didn't just talk the talk, she walked the walk. Years ago I asked her if she could gather left notebooks, pens, etc when she cleaned out lockers at the end of the year because I was sending them to school children in Afghanistan. She was thrilled and gathered so many with so much enthusiasm. Again, years later, when I was at Bradley east, she “heard” I could get things to the homeless and she brought by a sack full of shampoos and other products. Her heart was big and soft, the world will miss her. Sally Martell

“ Donna was my friend. We talked everyday for over 20 years when she came to clean my classroom. We shared good jokes, daily gossip and many aspects of our days. There were also hard times along the way for both of us. I think of her often and will miss her.
