“ *Donna was my ex mother in law yet I considered her my mother. We have always had a close relationship from the time her grandson my son was born. After my mother passed away she took the place of my mother. She was always such a sweet loving giving person. I can't say enough nice things about her or this message would go on for hours. She was so amazing and such a strong lovely woman. She fought so hard for so many years. Bless her soul. I will love and miss her every day. She has always been my angel and now she's Gods angel. I love you Donna. Now always and forever.*

“ I am Donna's granddaughter Chelsea's husband. I will never forget how kind and loving Donna was. She would always hug me and kiss my cheek. She always did so much for our whole family on every special occasion. She even sent me, a nearly 40 year old guy, 25\$ on my birthday. She truly was a grandma to me. Thank you Lord for her kindness, love, and generosity. My family and I will miss her dearly, -sincerely Andrew King
