“ Doreen was such a sweet heart and will be missed by all of us who cared for her and came to love her as one of our own just like she loved all of us...Glad I got to spend a few days spending some one on one time with her.....May she rest in peace In Heaven with the other angels as she was an angel while here on earth with us

“ I helped care for Doreen as a CNA at Our Lady of Victory a couple of years ago. I would still love to sit with her and talk. Even on busy mornings I would always take a minute to chat. I will never forget her contagious smile. My condolences to the family.

“ I have known Doreen for many years and enjoyed many visits with her in her home when she lived in St. Anne by the Record Press. I would stop in three or four times a week on my way home from the Post Office and we would sit and talk and have many laughs. She was a lot of fun and I shall keep her in my book of memories. She loved her family and all her grandchildren and we spoke of them often. May she rest in peace in the heavenly garden.
