“ Please accept all of our condolences. Doris was just part of our family for so many years. If the boys were home on Friday and Doris wasn't there in the morning they were worried. Asking where she was. I think your mom loved talking with them. She was such a wonderful, caring, loving woman. With a little spit fire to go with it. I always loved that side of her. She loved her family so very much and so proud of each of you. I'm so sorry to miss the services on Friday. Thank you Patti for asking me to do her hair one more time. Will cherish that for the rest of my life. So happy I got to say my good-by's to her and was just the two of us. Love you all. ❤️🙏❤️
