“ I use to work at HCR Manorcare Mrs. Mayotte was one of my favorite residents. Each night before I would go home I would help pick out her night gown and close her blinds. She would often tell me about her travels and how much she loved her husband and family. I felt so blessed that I was able to spend time with her she was full of love and always had a hug for me. I will keep all of her family in my prayers, God Bless You.
